URGENT NOTICE

Subject: Attendance Requirements and Semester End Examination Eligibility for Autumn 2026

Assalamu Alaikum Warahmatullahi Wabarakatuh.

All students of the Department of Electrical and Electronic Engineering (EEE) are hereby informed that, the attendance requirements for the Semester End Examination will be implemented strictly as per university regulations.

Students will be categorized based on their class attendance percentages as follows:

Category	Attendance Percentage
Non-Collegiate (NC)	60% to 70%
Dis-Collegiate (DC)	Below 60%

All students are strongly advised to attend their classes regularly and maintain the required attendance percentage to ensure their eligibility for the Semester End Examinations.

Please note that students categorized as **Dis-Collegiate (DC) will not be eligible to participate in the examinations**, in accordance with university regulations. Students categorized as Non-Collegiate (NC) will also be subject to the applicable university rules.

Students are therefore requested to check their attendance status regularly and contact the course teacher in case of any discrepancy in their attendance records.

Your sincere cooperation in maintaining regular class attendance is highly appreciated. Please take this matter seriously to avoid any inconvenience or academic difficulties during the examination period.
